CAREER OBJECTIVE

Motivated Electronics and Communication Engineering student with strong fundamentals in digital electronics, microcontrollers, and basic programming. Seeking an opportunity to apply my technical knowledge and problem-solving skills in a dynamic engineering environment. Eager to contribute to innovative projects while continuously learning new technologies.

EDUCATION QUALIFICATION

Qualification	Institution	Year	CGPA	Percentage
B.Tech. in Electronics and Communication Engineering (Pursuing)	Dadi Institute of Engineering and Technology, Anakapalli	2027	8.74	83.03%
Diploma in Electronics and Communication Engineering	Rajiv Gandhi RECS Polytechnic College, Kasimkota	2024	9.87	93.77%
SSC	MPL Girls High School, Anakapalli	2021	10	99.67

TECHNICAL SKILLS

- **Core Electronics:** Microprocessor(8086 Basics), Microcontroller(8051 Basics), Digital Electronics
- **Programming Languages:** C(Basics), Python(Basics), Java
- **Core Concept:** Object-Oriented Programming(OOPS)
- **Python Libraries:** NumPy, Pandas, Matplotlib(Basics)
- **Office Tools:** MS Word, MS Excel

PROJECTS

Smart Entry Monitoring System (IoT + Software Logic) | Mar 2026

- Developed an IoT-based access control system using Arduino Uno R4 WiFi and sensors
- Designed alert mechanism to identify unauthorized multiple entries (tailgating detection)
- Applied real-time data processing and event-driven programming concepts

Mini Air Conditioner (Embedded System Project) | Mar 2025

- Built a low-cost cooling system using electronic components and embedded logic
- Integrated sensors, DC fan, and Peltier module with power management
- Focused on efficient system design and performance optimization

INTERNSHIP

Industrial Trainee – Steel Plant | Jun 2023 – Nov 2023

- Diagnosed and repaired PCB faults in communication and surveillance devices
- Performed troubleshooting and debugging of electronic systems
- Gained hands-on experience in system maintenance and technical problem-solving

CERTIFICATIONS

- Python Full Stack Development with Project-EduSkills(March 2026)
- Java Full Stack Developer-EduSkills(December 2025)
- Microchip Advanced Embedded System Developer-Microchip(September 2025)
- Embedded System Developer Virtual Internship – Microchip (March 2025)
- Process Mining Virtual Internship – Celonis (December 2024)
- **SOFT SKILLS** : Problem Solving , Team leading , Quick learning , Good Communication

HOBBIES

- Learning new technologies
- Listening to music

FAMILY DETAILS

Father: Farmer

Mother: Homemaker

Elder Sister: Working in Postal Department

Younger Sister: Working in Deccan Fine Chemicals

Nationality: Indian

Languages: English ,Telugu

DECLARATION

I hereby declare that all the above information is true and accurate to the best of my knowledge and I hold the responsibility for the correctness of the above-mentioned particulars.

Place: Anakapalli

Date : 10.06.2026

Name : Boddeda Vandhana

Signature:
